

Always on task, rarely home. Moving together,  
standing alone. We create, we taste, we fuel the flame.  
Our passion for food shouldn't come at a cost.

**LET'S STAND TOGETHER.**

## **TALK OPENLY**

We speak out when we have something to say,  
we make sure others do the same.

## **EXCITE PASSION**

We train, mentor and inspire the next  
generation. We fuel their flame.

## **ACT AS ONE**

No matter our ethnicity, gender or religion, we share  
the same goal. We respect each other, hold back from  
abuse and ask "R U OK?" if we think someone's not.

## **TAKE TIME**

We make time for breaks – for fresh air  
and daylight. We rest, relax and recharge  
where we can.

## **SAY 'GOOD JOB'**

When one of us does a good job, we say it because  
a pat on the back can make their day.

**LET'S WORK AS TEAMS.  
LET'S CHANGE THE INDUSTRY.**
